Johnstown and Baltimore Township parcel owners in the proposed Special Assessment district were mailed a postcard of notice of the Special Informational Meeting to discuss the proposed Weed Control for Clear Lake.

Andy from PLM Lake and Land Management was present to provide information on the proposed process of controlling exotic aquatic plants species and/or algae in Clear Lake for the 2023 thru 2027 seasons.

Three species of exotic plants are proposed to be targeted. Additionally, the proposed herbicide treatment plan, including timing, were discussed. Estimated costs were communicated.

The residents in attendance asked questions many questions pertaining to the proposal and the PLM Lake and Land Management representative responded accordingly.

The manner in which to assess the costs of the project to the effected property owners was discussed.

Adjournment: A motion was made by Earl to adjourn the meeting at 7:20 p.m. Seconded by Nickerson. All Ayes. Motion carried.
